WALKTHROUGH

1. What do we need to do to advance this piece of work?	Finalise the presentation design, add wireframes and supporting visuals, and complete final edits to the slides.
2. Is anyone working on anything that is not on the board?	No one on the team was working on anything outside of what was already reflected on the taskboard.
3. What do we need to finish as a team?	Complete and submit the agile logbook as a team, and ensure the presentation was fully ready for submission.
4. Are there any bottlenecks or blockers to the flow of work?	• Limited time due to other coursework exercises and deadlines. • Difficulty fitting the wireframes into the slides without making them overcrowded. • Ensuring the presentation design remained professional and easy to follow.

Tuesday	1. What did I complete since the last standup?	• Attended the introductory class where the facilitator explained the project requirements and upcoming activities. • Received instructions regarding the business presentation. • Started designing the GoClean presentation slides. • Organised the presentation content and created the initial slide layout. • Shared ideas and presentation progress with group members.
	2. What am I planning to complete between now and the next standup?	Continue designing the presentation and start creating the wireframes.
	3. What are my impediments (or risks or problems)?	• Limited time because of other coursework exercise deadlines. • Difficulty deciding on the most suitable presentation design and layout.

Date:	15 July 2026	
Wednesday	1. What did I complete since the last standup?	• Continued designing and refining the presentation slides. • Created and inserted wireframes into the presentation. • Adjusted fonts, images, colours, and slide layouts to ensure consistency. • Made improvements to the overall appearance of the presentation.
	2. What am I planning to complete between now and the next standup?	Finalise the presentation and ensure it was ready for Thursday's presentation session.
	3. What are my impediments (or risks or problems)?	• Struggled to fit the wireframes into the slides without overcrowding them. • Spent additional time resizing and rearranging elements to achieve a professional design. • Managing project work while completing other academic tasks.

Date:	16 July 2026	
Thursday	1. What did I complete since the last standup?	• Finalised the presentation design before the presentation session. • Supported the group during the presentation session. • One of the group members presented the GoClean business idea to the facilitator. • Ensured that all presentation materials were ready and accessible.
	2. What am I planning to complete between now and the next standup?	Wait for further instructions regarding the project.
	3. What are my impediments (or risks or problems)?	• Felt slightly anxious about whether the presentation design effectively communicated the group's ideas. • No immediate feedback was provided after the presentation.
